The North Dakota Society for Respiratory Care is proud to sponsor up to \$250 reimbursement for approved professional examinations for those NDSRC members (current AARC member) interested in personal professional enhancement, keeping in line with the mission statement of the NDSRC – ***to promote the advancement and continued development of the profession.***

Interested applicants will have a current license to practice respiratory care in the state of North Dakota and be a current AARC member. Individuals who qualify for the reimbursement will be chosen at random by board members of the NDSRC. A minimum of one recipient will be chosen each calendar year by the NDSRC. The following are the requirements for the NDSRC Professional Enhancement Reimbursement:

1. Be an NDSRC member in good standing.
2. Have met the requirements of eligibility for selected examination.
3. Have completed and passed the selected examination within the calendar year (Jan 1-Dec1).
4. Have completed and postmarked the application by December 1.
5. Have not previously received an NDSRC Professional Enhancement Reimbursement.
6. Have not received any prior funding for selected examination.

This reimbursement is a one-time award to be used to retroactively cover examination fees already paid by the recipient.

Examinations eligible for up to \$250 reimbursement include: (*subject to change*)

AE-C examination \$295	See www.naecb.org for eligibility requirements
ACCS examination \$300	See www.nbrc.org for eligibility requirements
CPFT examination \$200	See www.nbrc.org for eligibility requirements
