

Highlights

We have a full speaker line-up including breakout sessions, Sim-ND scenarios, with a variety of topics to suit RT's in all specialty areas from across the state.

**SIM-ND simulations are 50 minute "real life" patient scenarios that focus on respiratory assessment and treatment, followed by debriefing. The objectives of each scenario will be to work on team communication, airway management, and initial assessment of the patient.

Up to 13 CEU's will be available!

Hilton Garden Inn, Fargo
For hotel reservations, call: 701-499-6000 and ask for NDSRC group rate. Hotel rooms must be reserved by March 25, 2022. The group rate for a 2 queen suite is \$119.00 + tax

See you in April!
